

Diagnostics & Scan Pvt. Ltd.

Organ Diagnostics & Scan Pvt. Ltd. is a renowned **NABL** accredited Laboratory with multiple branches in West Bengal & Bihar of Eastern India.

We are using **Kee Diagnostics Pvt. Ltd.** range of products in our Laboratories over past 5 years and having very good EQAS ranking report from International Brand "**Biorad**".

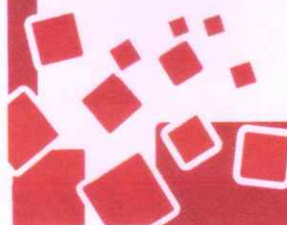

NABL Authorities are doing regular assessments & certifies on quality of reports and showing their great happiness after observing LJ charts of our operating Systems for **Biorad** controls (Both Levels).

Once again we recommend using products manufactured by Kee Diagnostics Pvt. Ltd. due to their high accuracy & very stable reagent for Fully Automated Instruments like Mindray BS 240 & Pro model.
